**GREAT DAY FOR ATHLETICS.**

It is a great day for athletics, too. Bergen  
point offers a varied and attractive pro  
gramme of athletic games by the Jersey City  
Club. The Scottish-American Athletic Club  
have their midsummer games at Caledonian  
Park. The Central Park Lawn-Tennis Club  
plays at Staten Island in their first tourna  
ment. Polo is being played at Cedarhurst  
and cricket has a turn in Brooklyn, where  
the Manhattan Cricket Club play the Am  
erican League at Prospect Park.

The bicyclists have meetings, too. The  
Port Schuyler Club makes a fifty-mile run,  
the Manhattan, Riverside and Hudson  
County Wheelmen course to Long Branch  
and the Brooklyn Club will ride to Hunting  
ton, L. I.

There will be plenty of fireworks in the  
evening. The retail dealers in fireworks sell  
only one month in the year, June 10 to July  
1. The city regulations regarding the sale of  
fireworks are pretty sharply outlined.  
Only 155 licenses were issued this year. A  
uniformed policeman has to stand at the door  
of every wholesale store and see that no one  
enters with a lighted cigar or cigarette.  
Roney Island will have an unusually fine  
display.

**AMBULANCES IN READINESS.**

The ambulances have a little extra work to  
do but the small boy is enjoying himself  
down to the ground. It is his holiday  
of excellence, and he laughs to scorn the  
ordinance which forbids exploding fire  
works in the city limits. He will explode his  
rockers all day long.

nue, lost three fingers of his right hand by the  
explosion of a gun.

A stray pistol bullet, fired by some unknown  
person, struck Helena Faber, thirty-five years  
old, of 374 Willis avenue, in the left shoulder  
blade, at the corner of Third avenue and One  
hundred and Forty-second street.

The wound was slight and she was removed to  
home.

William Nicholson, eighteen years old, of  
Hubert street, accidentally shot himself in  
the right leg in front of his residence and was  
taken to the Chambers Street Hospital.

**LARCHMONT YACHTS.**

**Graceful Vessels Sailing Their  
Tenth Annual Regatta.**

**SPECIAL TO THE EVENING WORLD.**

LARCHMONT, N. Y., July 4.—The annual re  
gatta of the Larchmont Yacht Club is being  
held on the Sound to-day and the pretty craft  
enrolled on the club-list are bowling along under  
clouds of canvas and a fresh southeast wind.

Larchmont yachtsmen are perhaps the most  
picturesque of any sailors in the world in regard  
to their attire. They rig themselves in the  
most fantastic costumes and the effect is very  
startling and at the same time pretty. Striped  
jackets, blazers and shirts of all kinds and col  
ors, topped off with red handkerchiefs bound  
around the head, generally makes up their rig.  
There were hundreds of yachts in the harbor  
to-day. Visiting yachtsmen from the Seawa  
nassa, Harlem and Newark Yacht clubs, who are  
on their annual cruises, are remaining over to  
see the regatta.

The programme arranged by the Club is a very  
interesting one, and the entries give promise of  
very fast races, especially in the 40-foot class.

The owner of the Larie, the pretty cutter  
which downed the Seawatch last year, the other  
day, entered his boat at the last moment. Fol  
lowing are the entries:

Class D—Sloopers from 68 to 50 feet.—Azalea,  
class 5—Sloop, 54 to 47 feet.—Clara, Anaconda,  
class 7—Sloop, 41 to 35 feet.—Bananae, Liris,  
Lily, Marigold, Gorilla, Papoose.  
class 8—Sloop, 35 to 40 feet.—Eurybia, Ilderam,  
class 9—Sloop, 30 to 25 feet.—Kathleen, Amazon,  
class 10—Sloop, 25 feet and under.—Vixen, Maids,  
class 11—Masted yachts under 32 feet.—Laksmi,  
class 12—Brig, 20 to 25 feet.—Dorothy.  
class 13—Open sloop, 23 feet and under.—Apache,  
class 14—Cuthboats over 23 feet.—Edna.  
class 15—Cuthboats, 20 feet and under.—Giggie, Say  
and Rival.

Special prizes in the shape of cups will be  
offered to-day. Classes 5 and 7 will sail for  
the Gould Cup, and Class 7 will sail for the  
Thayer Cup. At the special race on Saturday  
the yacht winning the Thayer Cup twice will be  
the owner.

The Gould Cup will be held for the season  
by the Regatta Committee and judges are  
Greene, Otto Sarony and Chester C.  
They followed the yachts in the Club  
Fred B. Dalzell.

**CHARGES THE BROKER WITH LARCENY.**

Mangan Sold Mrs. Vidal's House and Re  
fused to Give Her the Money.

Henrietta Vidal, of Albany County, N. Y.,  
charged William P. Mangan, a real-estate  
broker at 58 Liberty street, with larceny in the  
County Police Court this morning. Mrs. Vidal  
alleges that she negotiated with Mangan to sell  
her house 261 East One Hundred and Twenty  
third street. She claims he sold the house for  
\$1000.

After certain mortgages were paid there was,  
according to the statement of the complainant,  
\$900 due her. Mangan refused to turn that  
amount over, hence his arrest. Justice Hogan  
sent Mangan in jail for examination. He for  
warded the bonds and stated that he would ex  
amine all when the proper time arrived.
